OPINIONS OF THE PRESS.

Pleasing pictures of still life in the country, which the young will gladly read, and gather much useful knowledge, while they find pleasure in the story.—*Presbyterian*.

The pleasing simplicity of style in which these volumes are written—the amusing anecdotes related—and the little sketches of scenery so naturally introduced, can not fail to secure for them the warm appreciation of that class of readers for which they are prepared.—*Toronto Globe*.

Delightful stories for children.—*Albany State Register*.

If any of our readers are troubled with noisy urchins, who disturb their evening's comfort, they may find an effective opiate in these attractive volumes. We hope the experiment may be fairly tested.—*Christ. Chronicle*.

The whole tendency of this series is in favor of a high tone of morals, and these graceful and simple lessons of life can not fail to be useful to those who read them.—*Watchman and Observer*.

No better or more acceptable present could be made from parent to child than a set of the "Franconia Stories."—*Buffalo Courier*.

The author is so well known to the juvenile world that he needs no introduction from us. His histories for children have long been the delight of our little circle, and it welcomes his new and beautiful story-books as it would the visit of an old friend.—*National Era*.

Mr. Abbott's books have been, and doubtless always will be, popular with all.—*Worcester Palladium*.

A delightful series of stories.—*American Spectator*.

Mr. Abbott is doing very much for the instruction and healthful amusement of the young. The "Franconia Stories" are delightful reading for young people of both sexes.—*Providence Daily Journal*.

An admirable series of tales for children.—*New Orleans Bee*.

The most attractive tales for children which have been issued from the press for years.—*Cincinnati Gazette*.

It is not often we meet with better told fictions.—ALFRED B. STREET.
