

the daughter of Josephine, who gave to Napoleon more than a son, her love, her heart, and her life!

Providence is just! Upon the throne from which the childless empress was rejected, sits now the grandchild of Josephine, and his very existence demonstrates how vain are all man's calculations and desires, and how like withered leaves they are carried away and tossed about by the breath of destiny!

It was not the emperor's daughter who perpetuated Napoleon's dynasty, but the widow of General Beauharnais, Josephine Tascher de la Pagerie.

Josephine, therefore, is avenged in history; she was also avenged in Napoleon's heart, for he bitterly lamented that he had ever been separated from her. "I ought not to have allowed myself to be separated from Josephine," said he, a short time before his death in St. Helena, "no, I ought not to have been divorced from her; that was my misfortune!"

THE END.

D. APPLETON & CO.'S PUBLICATIONS.

MEMOIRS ILLUSTRATING THE HISTORY OF NAPOLEON I, from 1802 to 1815. By Baron CLAUDE-FRANÇOIS DE MÉNEVAL, Private Secretary to Napoleon. Edited by his Grandson, Baron NAPOLEON JOSEPH DE MÉNEVAL. With Portraits and Autograph Letters. In three volumes. 8vo. Cloth, \$6.00.

"The Baron de Méneval knew Napoleon as few knew him. He was his confidential secretary and intimate friend. . . . Students and historians who wish to form a trustworthy estimate of Napoleon can not afford to neglect this testimony by one of his most intimate associates."—*London News*.

"These Memoirs, by the private secretary of Napoleon, are a valuable and important contribution to the history of the Napoleonic period, and necessarily they throw new and interesting light on the personality and real sentiments of the emperor. If Napoleon anywhere took off the mask, it was in the seclusion of his private cabinet. The Memoirs have been republished almost as they were written, by Baron de Méneval's grandson, with the addition of some supplementary documents."—*London Times*.

"Méneval has brought the living Napoleon clearly before us in a portrait, flattering, no doubt, but essentially true to nature; and he has shown us what the emperor really was—at the head of his armies, in his Council of State, as the ruler of France, as the lord of the continent—above all, in the round of his daily life, and in the circle of family and home."—*London Academy*.

"Neither the editor nor translator of Méneval's Memoirs has miscalculated his deep interest—an interest which does not depend on literary style but on the substance of what is related. Whoever reads this volume will wait with impatience for the remainder."—*N. Y. Tribune*.

"The work will take rank with the most important of memoirs relating to the period. Its great value arises largely from its author's transparent veracity. Méneval was one of those men who could not consciously tell anything but the truth. He was constitutionally unfitted for lying. . . . The book is extremely interesting, and it is as important as it is interesting."—*N. Y. Times*.

"Few memoirists have given us a more minute account of Napoleon. . . . No lover of Napoleon, no admirer of his wonderful genius, can fail to read these interesting and important volumes which have been waited for for years."—*N. Y. World*.

"The book will be hailed with delight by the collectors of Napoleonic literature, as it covers much ground wholly unexplored by the great majority of the biographers of Napoleon."—*Providence Journal*.

"Méneval made excellent use of the rare opportunity he enjoyed of studying closely and at close range the personality of the supreme genius in human history."—*Philadelphia Press*.

"Of all the memoirs illustrating the history of the first Napoleon—and their number is almost past counting—there is probably not one which will be found of more value to the judicious historian, or of more interest to the general reader, than these. . . . Méneval, whose Memoirs were written nearly fifty years ago, had nothing either to gain or to lose; his work, from the first page to the last, impresses the reader with a deep respect for the author's talent, as well as his absolute honesty and loyalty."—*N. Y. Independent*.

"These Memoirs constitute an important contribution to the understanding of Napoleon's character. They are evidently written in good faith, and, as the writer had remarkable opportunities of observation, they must be accepted as authentic testimony to the existence in Napoleon of gentle, humane, sympathetic, and amiable qualities, with which he has not been often credited."—*N. Y. Sun*.

New York: D. APPLETON & CO., 72 Fifth Avenue.

D. APPLETON & CO.'S PUBLICATIONS.

GERMANY AND THE GERMANS. By WILLIAM HARBUTT DAWSON, author of "German Socialism and Ferdinand Lassalle," "Prince Bismarck and State Socialism," etc. 2 vols., 8vo. Cloth, \$6.00.

"This excellent work—a literary monument of intelligent and conscientious labor—deals with every phase and aspect of state and political activity, public and private, in the Fatherland. . . . Teems with entertaining anecdotes and introspective *aperçus* of character."—*London Telegraph*.

"With Mr. Dawson's two volumes before him, the ordinary reader may well dispense with the perusal of previous authorities. . . . His work, on the whole, is comprehensive, conscientious, and eminently fair."—*London Chronicle*.

"Mr. Dawson has made a remarkably close and discriminating study of German life and institutions at the present day, and the results of his observations are set forth in a most interesting manner."—*Brooklyn Times*.

"There is scarcely any phase of German national life unnoticed in his comprehensive survey. . . . Mr. Dawson has endeavored to write from the view-point of a sincere yet candid well-wisher, of an unprejudiced observer, who, even when he is unable to approve, speaks his mind in soberness and kindness."—*New York Sun*.

"There is much in German character to admire; much in Germany's life and institutions from which Americans may learn. William Harbutt Dawson has succeeded in making this fact clearer, and his work will go far to help Americans and Germans to know each other better and to respect each other more. . . . It is a remarkable and a fascinating work."—*Chicago Evening Post*.

"One of the very best works on this subject which has been published up to date."—*New York Herald*.

A HISTORY OF GERMANY, from the Earliest Times to the Present Day. By BAYARD TAYLOR. With an Additional Chapter by MARIE HANSEN-TAYLOR. With Portrait and Maps. 12mo. Cloth, \$1.50.

"There is, perhaps, no work of equal size in any language which gives a better view of the tortuous course of German history. Now that the story of a race is to be in good earnest a story of a nation as well, it begins, as every one, whether German or foreign, sees, to furnish unexpected and wonderful lessons. But these can only be understood in the light of the past. Taylor could end his work with the birth of the Empire, but the additional narrative merely foreshadows the events of the future. It may be that all the doings of the past ages on German soil are but the introduction of what is to come. That is certainly the thought which grows upon one as he peruses this volume."—*New York Tribune*.

"When one considers the confused, complicated, and sporadic elements of German history, it seems scarcely possible to present a clear, continuous narrative. Yet this is what Bayard Taylor did. He omitted no episode of importance, and yet managed to preserve a main line of connection from century to century throughout the narrative."—*Philadelphia Ledger*.

"A most excellent short history of Germany. . . . Mrs. Taylor has done well the work she reluctantly consented to undertake. Her story is not only clearly told, but told in a style that is quite consistent with that of the work which she completes. . . . As a matter of course the history excels in its literary style. Mr. Taylor could not have written an unentertaining book. This book arouses interest in its opening chapter and maintains it to the very end."—*New York Times*.

"Probably the best work of its kind adapted for school purposes that can be had in English."—*Boston Herald*.

New York: D. APPLETON & CO., 72 Fifth Avenue.

D. APPLETON AND COMPANY'S PUBLICATIONS.

PETER THE GREAT. By K. WALISZEWSKI, author of "The Romance of an Empress" (*Catharine II of Russia*). Translated by Lady Mary Loyd. Small 8vo. Cloth, with Portrait, \$2.00.

"One of the most interesting biographies of the historical kind we have read for a long time. . . . Intensely interesting because absolutely unique."—*London Daily Chronicle*.

"A brilliant book, a profound study of human character, and a dispassionate and learned survey of modern Russian history. . . . A strange, a terrible story; fascinating by the power of the living human force, which compels admiration."—*London Sketch*.

"It is a marvelous story, this of Peter the Great, and it has been told with great spirit by the author."—*London Saturday Review*.

"If ever there was a man of genius it was Peter the Great. He is the one Russian of his time whose name has come down through the centuries, and he was almost the only Russian of his day who won an international reputation. Russia in those days stood in need of a man like him, and how well he served her is fully told in this book. . . . The cardinal merit of this book is that it increases our knowledge of mediæval Russia."—*New York Herald*.

"M. Waliszewski knows his subject well, and in his work he gives the most consistent and intelligible survey of Russian life and character that has been offered by any of the modern historians."—*Chicago Evening Post*.

"A biography illuminated by an active imagination, a romance in which there is no conscious fiction, but where the elements are fused in the alembic of a mind that can conjure back the remote past."—*Philadelphia Press*.

"There has not been a novel published this season that is as interesting—as exciting and thrilling, if you will—as this biography of one of the most remarkable men the world has ever seen. . . . A literary treat for those who carefully read it."—*Buffalo Commercial*.

"One of the most fascinating books of the year; a great historical painting, done with patience and exactitude, but also with boldness and brilliancy."—*Chicago Times-Herald*.

"Will be found as interesting as the most absorbing fiction."—*Boston Globe*.

"This is a trustworthy history; it bears the marks of painstaking truthfulness; it is scholarly, graphic, comprehensive, and just. We read it with a sense of being led by an intelligent guide and of listening to a candid judge and critic. . . . The story has been told in a brilliant and powerful way, and there is no book better adapted to the needs of Western readers at this era; full of the right information, rich in suggestion, keen in discrimination, and far-sighted in outlook, it is history and prophecy in one."—*New York Evangelist*.

"Such a vivid picture of Peter the man has not been put on paper before. Waliszewski's history thrills with life and interest, and is a brilliantly colored romance; yet he sternly keeps to facts, and gives the impression of having impartially judged and rigorously presented a fair and conscientious view of this portion of history."—*Chicago News*.

"An exceedingly interesting and valuable estimate of Peter's character and work."—*Review of Reviews*.

"A brilliant and notably readable book, filled with vivid impressions, and not lacking in philosophical meaning."—*Boston Beacon*.

D. APPLETON AND COMPANY, NEW YORK.

D. APPLETON & CO.'S PUBLICATIONS.

AN AIDE-DE-CAMP OF NAPOLEON. Memoirs of General COUNT DE SÉGUR, of the French Academy, 1800-1812. Revised by his Grandson, COUNT LOUIS DE SÉGUR. 12mo. Cloth, \$2.00.

"We say without hesitation that 'An Aide-de-Camp of Napoleon' is the book of memoirs above all others that should be read by those who are anxious to see Napoleon through the eyes of one of the many keen judges of character by whom he was surrounded."—*London Literary World*.

"The Count's personal story of adventure is so thrilling, and his opportunities of watching Napoleon were so constant and so ably utilized, that his work deserves honorable mention among works which show us history in the making, and the realities as well as the romance of war."—*London Daily Telegraph*.

"We thank the publishers for this translation of a most absorbing book. The story of Austerlitz is one involving so much genius that it must be read as a whole—all the good things with which the book abounds."—*London Daily Chronicle*.

"The historical interest is undoubtedly great. De Ségur's account of Napoleon's plans for the invasion of England is very interesting."—*London Times*.

"No recent work of which the present fashion for Napoleonic literature has witnessed either in the shape of translations from the French or of original monographs on his famous battles, is likely to interest a larger class of intelligent readers than 'An Aide-de-Camp of Napoleon.'"—*New York Mail and Express*.

"'An Aide-de-Camp of Napoleon' is the title of one of the most interesting of the many works which have been published concerning the career of the great warrior."—*New York Press*.

"The memoirs of Count de Ségur are distinguished by all the light graces that can polish a recital and impart delicacy to a narrative without depriving it of its strength. It is a pleasure to peruse this well-written memorial of one who was a general of division, peer of France, and Academician, and who lived for the greater part of a century a brilliant figure in war, politics, and letters."—*Philadelphia Public Ledger*.

"It is not only full of personal reminiscence, but of personal adventure, and, as the style is easy and admirable, neither conceited nor tedious, it is needless to say that the result is exceedingly interesting."—*Boston Commercial Bulletin*.

"The book is a delightful one, not only for its clear, flowing style and historical interest, but for the entire absence of anything approaching bombast or straining for effect. . . . This is one of the most interesting publications that the Napoleonic revival has given us."—*Cleveland World*.

"Next to the memoirs of the private secretary, the Baron de Méneval, issued by the Appletons a year ago, this volume of Ségur's is of greatest interest."—*Rochester Herald*.

New York: D. APPLETON & CO., 72 Fifth Avenue.

D. APPLETON AND COMPANY'S PUBLICATIONS.

MEMOIRS OF MARSHAL OUDINOT, Duc de Reggio. Compiled from the hitherto unpublished souvenirs of the Duchesse de Reggio by GASTON STIEGLER, and now first translated into English by Alexander Teixeira de Mattos. With two Portraits in Heliogravure. 12mo. Cloth, \$2.00.

"The 'Memoirs of Marshal Oudinot' are interesting because they include the history of one of the most brilliant periods the world has ever seen."—*Chicago Evening Post*.

"The reading of this charming, vivacious, and accurate book makes it a continual source of wonder that any one, at this day, should be writing a history of the Napoleonic era. . . . The complete unconsciousness and the exquisite naturalness of the style are charming."—*N. Y. Commercial Advertiser*.

"This frankly loyal and graphic picturing of a great man's true character, seen from the nearest of standpoints by a biographer of wonderful keenness, is genuinely refreshing. Vivid and explicit without being unduly sentimental, it is a book distinctly invaluable to and actually inseparable from a study of French history."—*Boston Globe*.

"It is for the side lights of the marshal's life that this book is chiefly valuable, and wonderfully illuminating they are. Besides, there is a never-ending charm in the freshness of the narrative. There is nothing that is dull or monotonous."—*Chicago Journal*.

"Full of new and entertaining material, and has a really significant historical value. . . . These memoirs are noteworthy for their gentleness of tone and their freedom from satire and vituperation. They deal with great events, and their very simplicity and unpretentiousness are evidence of their incontestable merit."—*Boston Beacon*.

"The story of this gallant soldier is of strong romantic interest and makes excellent reading, while the side lights thrown on events of a long period marked by many extraordinary changes are vastly interesting and informing. It is an inspiring and thoroughly delightful volume."—*Providence News*.

"Few French commanders were more popular, both with rulers and with the people. The eventful story of his life, modestly told, is charming in interest."—*Chicago Inter-Ocean*.

"The pages are filled with illustrious names that arouse pleasant or unpleasant memories, and the reader reads eagerly onward, always entertained, frequently enlightened, until the last page is reached. . . . It will be equally welcomed by the student of history and by the general reader."—*Boston Saturday Evening Gazette*.

"Amid the mass of French memorial writing there is none that will be found more attractive, because there is none more genuine than this record."—*Chicago Times-Herald*.

"An extremely interesting addition to historical biography. . . . These memoirs relate the extraordinary career of an extraordinary man. . . . A complete biography, written in an easy, natural, unpretentious style."—*Detroit Free Press*.

D. APPLETON AND COMPANY, NEW YORK.

RECOLLECTIONS OF THE COURT OF THE TUILERIES. By MADAME CARETTE, Lady-of-Honor to the Empress Eugénie. Translated from the French by ELIZABETH PHIPPS TRAIN. 12mo. Cloth, \$1.00; paper cover, 50 cents.

"A gossiping and very interesting account of the Second Empire. The narrative has to do mainly with the social life of the court, and yet it offers many a glimpse of the larger world of politics. Its sprightly style, its keen insight into social character, and its bright comments on men and events, make the book very readable."—*The Critic*.

"The many surviving Americans who were presented at the French court during the last Empire, and are still fondly cherishing the memory of things as they were, will be delighted with this little book. According to Mme. Carette, things in the days of the third Napoleon were about as they should be in France, especially at court, and the narrative is written with a simplicity and sincerity which disarm criticism."—*New York Herald*.

MEMOIRS OF MADAME DE RÉMUSAT. 1802-1808. Edited by her Grandson, PAUL DE RÉMUSAT, Senator. 3 volumes, crown 8vo. Half bound, \$2.25.

"Notwithstanding the enormous library of works relating to Napoleon, we know of none which cover precisely the ground of these Memoirs. Madame de Rémusat was not only lady-in-waiting to Josephine during the eventful years 1802-1808, but was her intimate friend and trusted confidante. Thus we get a view of the daily life of Bonaparte and his wife, and the terms on which they lived, not elsewhere to be found."—*N. Y. Mail*.

"These Memoirs are not only a repository of anecdotes and of portraits sketched from life by a keen-eyed, quick-witted woman; some of the author's reflections on social and political questions are remarkable for weight and penetration."—*New York Sun*.

A SELECTION FROM THE LETTERS OF MADAME DE RÉMUSAT. 1804-1814. Edited by her Grandson, PAUL DE RÉMUSAT, Senator. 12mo. Cloth, \$1.25.

"These letters have the character of intimate correspondence, and though they do not avoid public events, are not devoted to them. They depict the social aspect of the times, and form an excellent background against which to review the public events which form the principal subject of the previous Memoirs by the same author."—*The Independent*.

"A most attractive volume. The letters will be read by those who have perused the Memoirs with as much pleasure as by those who in them make the writer's acquaintance for the first time."—*N. Y. Herald*.

MEMOIRS OF NAPOLEON, his Court and Family. By the Duchess D'ABRANTES. In 2 volumes, 12mo. Cloth, \$3.00.

The interest excited in the first Napoleon and his court by the "Memoirs of Madame de Rémusat," induced the publishers to issue the famous "Memoirs of the Duchess d'Abrantes," which had previously appeared in a costly octavo edition, in a much cheaper form, and in a style to correspond with the De Rémusat. This work presents a much more favorable portrait of the great Corsican than that limned by Madame de Rémusat, and supplies many valuable and interesting details respecting the court and family of Napoleon which are found in no other work.

A FRIEND OF THE QUEEN. (Marie Antoinette—Count de Fersen.) By PAUL GAULOT. With Two Portraits. 12mo. Cloth, \$2.00.

"M. Gaulot deserves thanks for presenting the personal history of Count Fersen in a manner so evidently candid and unbiased."—*Philadelphia Bulletin*.

"There are some characters in history of whom we never seem to grow tired. Of no one is this so much the case as of the beautiful Marie Antoinette, and of that life which is at once so eventful and so tragic. . . . In this work we have much that up to the present time has been only vaguely known."—*Philadelphia Press*.

"A historical volume that will be eagerly read."—*New York Observer*.

"One of those captivating recitals of the romance of truth which are the gilding of the pill of history."—*London Daily News*.

"It tells with new and authentic details the romantic story of Count Fersen's (the friend of the Queen) devotion to Marie Antoinette, of his share in the celebrated flight to Varennes, and in many other well-known episodes of the unhappy Queen's life."—*London Times*.

"If the book had no more recommendation than the mere fact that Marie Antoinette and Count Fersen are rescued at last from the voluminous and contradictory representations with which the literature of that period abounds, it would be enough compensation to any reader to become acquainted with the true delineations of two of the most romantically tragic personalities."—*Boston Globe*.

"One of the most interesting volumes of recent publication, and sure to find its place among the most noteworthy of historical novels."—*Boston Times*.

THE ROMANCE OF AN EMPRESS. Catherine II, of Russia. By K. WALISZEWSKI. With Portrait. 12mo. Cloth, \$2.00.

"Of Catharine's marvelous career we have in this volume a sympathetic, learned, and picturesque narrative. No royal career, not even of some of the Roman or papal ones, has better shown us how truth can be stranger than fiction."—*New York Times*.

"A striking and able work, deserving of the highest praise."—*Philadelphia Ledger*.

"The book is well called a romance, for, although no legends are admitted in it, and the author has been at pains to present nothing but verified facts, the actual career of the subject was so abnormal and sensational as to seem to belong to fiction."—*New York Sun*.

"A dignified, handsome, indeed superb volume, and well worth careful reading."—*Chicago Herald*.

"It is a most wonderful story, charmingly told, with new material to sustain it, and a breadth and temperance and consideration that go far to soften one's estimate of one of the most extraordinary women of history."—*New York Commercial Advertiser*.

"A romance in which fiction finds no place; a charming narrative wherein the author fearlessly presents the results of what has been obviously a thorough and impartial investigation."—*Philadelphia Press*.

"The book makes the best of reading, because it is written without fear or favor. . . . The volume is exceedingly suggestive, and gives to the general reader a plain, blunt, strong, and somewhat prejudiced but still healthy view of one of the greatest women of whom history bears record."—*New York Herald*.

"The perusal of such a book can not fail to add to that breadth of view which is so essential to the student of universal history."—*Philadelphia Bulletin*.

D. APPLETON AND COMPANY'S PUBLICATIONS.

IN JOYFUL RUSSIA. By JOHN A. LOGAN, JR.
With 50 Illustrations in color and black and white. 12mo.
Cloth, \$3.50.

"Of extreme interest from beginning to end. Mr. Logan has animation of style, good spirits, a gift of agreeable and enlivening expression, and a certain charm which may be called companionableness. To travel, with him must have been a particular pleasure. He has sense of humor, a way of getting over rough places, and understanding of human nature. There is not a dull chapter in his book."—*New York Times*.

"Mr. Logan has written of the things which he saw with a fullness that leaves nothing to be desired for their comprehension; with an eye that was quick to perceive their novelty, their picturesqueness, their national significance, and with a mind not made up beforehand—frankly open to new impressions, alert in its perceptions, reasonable in its judgment, manly, independent, and, like its environments, filled with holiday enthusiasm."—*New York Mail and Express*.

"No more fresh, original, and convincing picture of the Russian people and Russian life has appeared. . . . The author has described picturesquely and in much detail whatever he has touched upon: . . . Few books of travel are at once so readable and so informing, and not many are so successfully illustrated; for the pictures tell a story of their own, while they also interpret to the eye a vivid narrative."—*Boston Herald*.

"A chronicle of impressions gathered during a brief and thoroughly enjoyed holiday by a man with eyes wide open and senses alert to see and hear new things. Thoroughly successful and well worth perusal. . . . There will be found within its pages plenty to instruct and entertain the reader."—*Brooklyn Eagle*.

"The book is a historical novelty; and nowadays a more valuable distinction can not be attached to a book. . . . No other book of travels of late years is so unalterably interesting."—*Boston Journal*.

"Mr. Logan's narrative is spirited in tone and color. . . . A volume that is entertaining and amusing, and not unworthy to be called instructive. The style is at all times lively and spirited, and full of good humor."—*Philadelphia Press*.

"Mr. Logan has a quick eye, a ready pen, a determination to make the most of opportunities, and his book is very interesting. . . . He has made a thoroughly readable book in which history and biography are brought in to give one a good general impression of affairs."—*Hartford Post*.

"Mr. Logan has presented in attractive language, reenforced by many beautiful photographs, a most entertaining narrative of his personal experiences, besides a dazzling panorama of the coronation ceremonies. . . . Read without prejudice on the subject of the Russian mode of government, the book is unusually able, instructive, and entertaining."—*Boston Globe*.

"Mr. Logan departs from the usual path, in telling in clear, simple, good style about the intimate life of the Russian people."—*Baltimore Sun*.

D. APPLETON AND COMPANY, NEW YORK.

D. APPLETON AND COMPANY'S PUBLICATIONS.

H. R. H. THE PRINCE OF WALES. An Account of his Career, including his Birth, Education, Travels, Marriage and Home Life, and Philanthropic, Social, and Political Work. Illustrated. 8vo. Cloth, \$3.50.

For the first time an accurate account of the life of the Prince of Wales is given in this entertaining and informing book. While there have been volumes dealing with special features of his life, a complete biography has not been published before. His social and philanthropic activities are described in this book, together with accounts of his visits to America, to India and the East, and his home life at Marlborough House and Sandringham. The numerous illustrations present a series of portraits from infancy to the present time, and also a remarkable collection of views of great ceremonial functions in which the Prince has taken part. On the historical as well as the personal side this biography offers peculiar attractions.

THE PRIVATE LIFE OF THE QUEEN. By a Member of the Royal Household. Illustrated. 12mo. Cloth, \$1.50.

"The future historian will value 'The Private Life of the Queen' because it is in a sense so intimate. The contemporary reader will find it highly interesting for the same reason. . . . The book is agreeably written, and is certain to interest a very wide circle of readers."—*Philadelphia Press*.

"A singularly attractive picture of Queen Victoria. . . . The interests and occupations that make up the Queen's day, and the functions of many of the members of her household, are described in a manner calculated to gratify the natural desire to know what goes on behind closed doors that very few of the world's dignitaries are privileged to pass."—*Boston Herald*.

THE LIFE OF HIS ROYAL HIGHNESS THE PRINCE CONSORT. By Sir THEODORE MARTIN. In five volumes, each with Portrait. 12mo. Cloth, \$10.00.

"A full and impartial biography of a noble and enlightened prince. . . . Mr. Martin's work is not gossipy, not light, nor yet dull, guarded in its details of the domestic lives of Albert and Victoria, but sufficiently full and familiar to contribute most interesting information. . . . Will well repay a careful and earnest reading."—*Chicago Tribune*.

THE SOVEREIGNS AND COURTS OF EUROPE. The Home and Court Life and Characteristics of the Reigning Families. By "POLITIKOS." With many Portraits. 12mo. Cloth, \$1.50.

"A remarkably able book. . . . A great deal of the inner history of Europe is to be found in the work, and it is illustrated by admirable portraits."—*The Athenaeum*.

"The anonymous author of these sketches of the reigning sovereigns of Europe appears to have gathered a good deal of curious information about their private lives, manners, and customs, and has certainly in several instances had access to unusual sources. The result is a volume which furnishes views of the kings and queens concerned, far fuller and more intimate than can be found elsewhere."—*New York Tribune*.

D. APPLETON AND COMPANY, NEW YORK.

THE RISE AND GROWTH OF THE ENGLISH NATION. With Special Reference to Epochs and Crises. A History of and for the People. By W. H. S. AUBREY, LL. D. In Three Volumes. 12mo. Cloth, \$4.50.

"The merit of this work is intrinsic. It rests on the broad intelligence and true philosophy of the method employed, and the coherency and accuracy of the results reached. The scope of the work is marvelous. Never was there more crowded into three small volumes. But the saving of space is not by the sacrifice of substance or of style. The broadest view of the facts and forces embraced by the subject is exhibited with a clearness of arrangement and a definiteness of application that render it perceptible to the simplest apprehension."—*New York Mail and Express*.

"A useful and thorough piece of work. One of the best treatises which the general reader can use."—*London Daily Chronicle*.

"Conceived in a popular spirit, yet with strict regard to the modern standards. The title is fully borne out. No want of color in the descriptions."—*London Daily News*.

"The plan laid down results in an admirable English history."—*London Morning Post*.

"Dr. Aubrey has supplied a want. His method is undoubtedly the right one."—*Pall Mall Gazette*.

"It is a distinct step forward in history writing; as far ahead of Green as he was of Macaulay, though on a different line. Green gives the picture of England at different times—Aubrey goes deeper, showing the causes which led to the changes."—*New York World*.

"A work that will commend itself to the student of history, and as a comprehensive and convenient reference book."—*The Argonaut*.

"Contains much that the ordinary reader can with difficulty find elsewhere unless he has access to a library of special works."—*Chicago Dial*.

"Up to date in its narration of fact, and in its elucidation of those great principles that underlie all vital and worthy history. . . . The painstaking division, along with the admirably complete index, will make it easy work for any student to get definite views of any era, or any particular feature of it. . . . The work strikes one as being more comprehensive than many that cover far more space."—*The Christian Intelligencer*.

"One of the most elaborate and noteworthy of recent contributions to historical literature."—*New Haven Register*.

"As a popular history it possesses great merits, and in many particulars is excelled by none. It is full, careful as to dates, maintains a generally praiseworthy impartiality, and it is interesting to read."—*Buffalo Express*.

"These volumes are a surprise and in their way a marvel. . . . They constitute an almost encyclopædia of English history, condensing in a marvelous manner the facts and principles belonging to the history of the English nation. . . . The work is one of unsurpassed value to the historical student or even the general reader, and when more widely known will no doubt be appreciated as one of the remarkable contributions to English history published in the century."—*Chicago Universalist*.

"In every page Dr. Aubrey writes with the far reaching relation of contemporary incidents to the whole subject. The amount of matter these three volumes contain is marvelous. The style in which they are written is more than satisfactory. . . . The work is one of unusual importance."—*Hartford Post*.

New York: D. APPLETON & CO., 72 Fifth Avenue.

THE BEGINNERS OF A NATION. A History of the Source and Rise of the Earliest English Settlements in America, with Special Reference to the Life and Character of the People. The first volume in A History of Life in the United States. By EDWARD EGGLESTON. Small 8vo. Cloth, gilt top, uncut, with Maps, \$1.50.

"Few works on the period which it covers can compare with this in point of mere literary attractiveness, and we fancy that many to whom its scholarly value will not appeal will read the volume with interest and delight."—*New York Evening Post*.

"Written with a firm grasp of the theme, inspired by ample knowledge, and made attractive by a vigorous and resonant style, the book will receive much attention. It is a great theme the author has taken up, and he grasps it with the confidence of a master."—*New York Times*.

"Mr. Eggleston's 'Beginners' is unique. No similar historical study has, to our knowledge, ever been done in the same way. Mr. Eggleston is a reliable reporter of facts; but he is also an exceedingly keen critic. He writes history without the effort to merge the critic in the historian. His sense of humor is never dormant. He renders some of the duller passages in colonial annals actually amusing by his witty treatment of them. He finds a laugh for his readers where most of his predecessors have found yawns. And with all this he does not sacrifice the dignity of history for an instant."—*Boston Saturday Evening Gazette*.

"The delightful style, the clear flow of the narrative, the philosophical tone, and the able analysis of men and events will commend Mr. Eggleston's work to earnest students."—*Philadelphia Public Ledger*.

"The work is worthy of careful reading, not only because of the author's ability as a literary artist, but because of his conspicuous proficiency in interpreting the causes of and changes in American life and character."—*Boston Journal*.

"It is noticeable that Mr. Eggleston has followed no beaten track, but has drawn his own conclusions as to the early period, and they differ from the generally received version not a little. The book is stimulating and will prove of great value to the student of history."—*Minneapolis Journal*.

"A very interesting as well as a valuable book. . . . A distinct advance upon most that has been written, particularly of the settlement of New England."—*Newark Advertiser*.

"One of the most important books of the year. It is a work of art as well as of historical science, and its distinctive purpose is to give an insight into the real life and character of people. . . . The author's style is charming, and the history is fully as interesting as a novel."—*Brooklyn Standard-Union*.

"The value of Mr. Eggleston's work is in that it is really a history of 'life,' not merely a record of events. . . . The comprehensive purpose of his volume has been excellently performed. The book is eminently readable."—*Philadelphia Times*.

JOHN BACH MCMASTER.

HISTORY OF THE PEOPLE
OF THE UNITED STATES,

from the Revolution to the Civil War. By JOHN BACH MCMASTER.
To be completed in six volumes.
Vols. I, II, III, and IV now ready.
8vo. Cloth, gilt top, \$2.50 each.

"... Prof. McMaster has told us what no other historians have told. . . . The skill, the animation, the brightness, the force, and the charm with which he arrays the facts before us are such that we can hardly conceive of more interesting reading for an American citizen who cares to know the nature of those causes which have made not only him but his environment and the opportunities life has given him what they are."
—*N. Y. Times*.

"Those who can read between the lines may discover in these pages constant evidences of care and skill and faithful labor, of which the old-time superficial essayists, compiling library notes on dates and striking events, had no conception; but to the general reader the fluent narrative gives no hint of the conscientious labors, far-reaching, world-wide, vast and yet microscopically minute, that give the strength and value which are felt rather than seen. This is due to the art of presentation. The author's position as a scientific workman we may accept on the abundant testimony of the experts who know the solid worth of his work; his skill as a literary artist we can all appreciate, the charm of his style being self-evident."—*Philadelphia Telegraph*.

"The third volume contains the brilliantly written and fascinating story of the progress and doings of the people of this country from the era of the Louisiana purchase to the opening scenes of the second war with Great Britain—say a period of ten years. In every page of the book the reader finds that fascinating flow of narrative, that clear and lucid style, and that penetrating power of thought and judgment which distinguished the previous volumes."—*Columbus State Journal*.

"Prof. McMaster has more than fulfilled the promises made in his first volumes, and his work is constantly growing better and more valuable as he brings it nearer to our own time. His style is clear, simple, and idiomatic, and there is just enough of the critical spirit in the narrative to guide the reader."—*Boston Herald*.

"Take it all in all, the History promises to be the ideal American history. Not so much given to dates and battles and great events as in the fact that it is like a great panorama of the people, revealing their inner life and action. It contains, with all its sober facts, the spice of personalities and incidents, which relieves every page from dullness."—*Chicago Inter-Ocean*.

"History written in this picturesque style will tempt the most heedless to read. Prof. McMaster is more than a stylist; he is a student, and his History abounds in evidences of research in quarters not before discovered by the historian."—*Chicago Tribune*.

"A History *sui generis* which has made and will keep its own place in our literature."—*New York Evening Post*.

"His style is vigorous and his treatment candid and impartial."—*New York Tribune*.
