

## INDEX.

- A**BDOMINAL gestation, 179, 181  
 pregnancy, 191  
 Abortion and premature labor, 252  
 causes of, 254  
 definition of, 253  
 importance and frequency of, 252  
 most common in multipara, 253  
 of artificial, 207  
 production of, 417  
 symptoms of, 258  
 subsequent management of, 264  
 treatment of, 259  
 tubal, 183  
 Abscess, mammary, 596  
 After-pains, 277, 582  
 treatment of severe, 583  
 -coming head, perforation of, 528  
 Ala vespertilionis, 70  
 Albumin in urine of pregnant women, 212  
 predisposes to abortion, 214  
 Albuminuria, prognosis of, 214  
 of pregnancy, induction of premature  
 labor in, 216  
 symptoms of, 215  
 treatment of, 215  
 Allantois, 110  
 Amnion, 112  
 diagnosis of, 246  
 formation of, 108  
 pathology of, 245  
 treatment of, 246  
 Anæmia and chlorosis in affections of re-  
 spiratory organs, 211  
 Anæsthesia in labor, 308  
 Anæsthetics, question of administering,  
 502, 546  
 Anatomy and physiology of fetus, 122  
 Ante-partum hour-glass contraction, 371  
 Anteversion, 223  
 Antipyrine in pregnancy, 206  
 Area germinativa, 107  
 pellucida, 107  
 Arm, dorsal displacement of, 345  
 presentation, cases of, 492  
 Arterial thrombosis and embolism, 668  
 causes of, 668  
 symptoms of, 669  
 treatment of, 670  
 Articulations, pelvic, 36  
 Artificial dilatation, 368  
 Auscultatory signs of pregnancy, 158
- B**ALLOTTEMENT in pregnancy, 157  
 Belladonna in pregnancy, 206  
 [Binder, time to apply, 302, 303, 306]  
 Births, frequency of multiple, 173  
 plural, 379  
 treatment of, 380  
 Bladder, irritability of, 220  
 Blood, defibrination of, 568, 572  
 injection of, 573  
 in pregnancy, composition of, 145  
 [transfusion of, 564, 574]  
 Aveling's method of, 566  
 history of, 564  
 nature and object of, 565  
 Rousset's method of, 567  
 Schäfer's method of, 567, 571  
 Body, extraction of, 534  
 Bowels, action of, 585  
 [Breech forceps, 322]  
 [position, important to change to ver-  
 tex, 314]  
 Brim, contracted, 406  
 Broad ligaments of uterus, 69  
 Brow presentations, 332
- C**ADUCA, 102  
 [Cæsarean section, in the U. S., 370]  
 [danger of, in the U. S., 417]  
 [elective, 541]  
 [for transverse positions in  
 the U. S., 344, 345]  
 [history of, 537, 552]  
 [horn-rips, 537, 538]  
 [in cancer of cervix in the  
 U. S., 370]  
 [in Europe, 539]  
 [in pelvic exostosis, in the  
 U. S., 403]  
 [in 1893, 554, 552]  
 Calculus, vesical, 375  
 Caput succedaneum, formation of, 289  
 Carcinoma, 231  
 Cardiac murmurs in pulmonary obstruc-  
 tion, 664  
 Caruncule myrtiformes, 53  
 Cellulitis, pelvic, 680  
 Cephalalgia as a cause of albumin in urine,  
 214  
 Cephalic version, 479  
 Cephalotribe, 524

- Cephalotripsy and craniotomy, comparative merits of, 530  
 Cervix, cavity of, 59  
 changes in, during pregnancy, 142  
 mucous membrane of, 64  
 rigidity of, 366  
 softening of, 157  
 Chapman's spinal ice-bag, 206  
 Child, clothing of, 589  
 examination of, 323  
 expulsion of, 267, 301  
 management of suckling of, 591  
 over-frequent suckling of, 589  
 position of, at birth, 315  
 risk to, 405  
 washing and dressing of, 588  
 Childbirth, management of women after, 582  
 mortality of, 575  
 Chloral in pregnancy, 206  
 [Chloroform inhalation, objected to in the U. S., 311]  
 Chorea in first pregnancy, 218  
 prognosis of, 219  
 treatment of, 219  
 Chorion, disease of, 237  
 causes of, 237  
 pathology of, 237, 238  
 progress of, 239  
 symptoms of, 239  
 treatment of, 240  
 hydatidiform degeneration of, 237  
 Circulation of fetus, 134  
 [Clay-eating, producing pelvic obstruction in Southern U. S., 376]  
 Cleanliness, attention to, 584  
 Clitoris, 51  
 Coagulation in puerperal state, 658  
 Cocaine in pregnancy, 206  
 Coccyx, anatomy of, 36  
 ligaments of, 37  
 Colio-elytrotomy, 553  
 cases suitable for, 554  
 history of, 553  
 nature of operation of, 554  
 operation of, 553  
 Coeliotomy, 655  
 mode of performing secondary, 197  
 [Color-line of abdomen in pregnancy, 155]  
 Conception and generation, 96  
 fruitful, signs of, 150  
 mental peculiarities in, 152  
 morning sickness a sign of, 151  
 Constipation in pregnancy, 208  
 Continued fevers, 228  
 Cough, spasmodic, 210  
 Cow's milk and its preparation, 600  
 [Coxalgia, causing pelvic deformity, 402]  
 Cranioclast, 524  
 Craniotomy, cases requiring, 526  
 religious objections to, 522  
 when justifiable, 528  
 Cross-births, 337  
 Crural phlebitis, 675  
 Culbute, 128  
 Curetting the uterine cavity, 651  
 Curve, pelvic, 496  
 Cyst, formation of, around ovum, 191  
 opening, by caustics, 197  
 Cystic disease of ovum, 237  
 Cystocele, vaginal, 375  
**D**  
 DECAPITATION, 522, 535  
 Decidua, 102  
 pathology of, 234  
 Deformities of pelvis, 391, 394  
 causes of, 392  
 classification of, 391  
 Delivery, alterations in blood after, 575  
 [instance of rapid natural, 365]  
 instrumental, 361  
 probable date of, 168  
 signs of recent, 171  
 Diabetes in pregnancy, 216  
 Diarrhoea in pregnancy, 208  
 Diet and regimen, 583  
 Digestive system, derangements of, 204  
 disorders of, in pregnancy, 203  
 Dilatation, 273  
 artificial, 368  
 Discus proligerus, 80  
 Dizziness as a cause of albumin in urine, 214  
 Dorsal displacement of arm, 345  
 Double monsters, 382  
 division of, 384  
 Douches, vaginal and uterine, 475  
 Dropsical effusions, 389  
 Dyspnoea in early months of pregnancy, 210  
 Dystocia in labor, 390  
 treatment of, 391  
**E**  
 ECLAMPSIA, 612  
 Ecraseur, 526  
 Emboli, detachment of, 677  
 Embryotomy, 323, 535  
 Endochorion, 114  
 Endometritis decidualis polyposa, 235  
 tuberosa, 235  
 Epilepsy, 229  
 Eruptive fevers, 227  
 Erysipelas, infection from, 631  
 Evisceration, 522, 535, 536  
 Evolution, spontaneous, 342  
 Exochorion, 114  
 Expressio fetus, 359  
 Extra-uterine pregnancy, 179  
 condition of uterus in, 184  
 etiology of, 181  
 Eye, diseases of, 230  
**F**  
 FACE presentations, 323  
 descent in, 327  
 extension in, 327  
 flexion in, 328  
 four positions met with in, 326

- Face presentations—  
 frequency of, 324  
 mechanism of, 325  
 prognosis of, 330  
 rotation in, 327  
 external, 328  
 treatment of, 330  
 -to-pubes delivery, causes of, 333  
 treatment of, 334  
 Fallopian tubes, 72  
 Faradic current, use of, 359  
 Fatty transformation of muscular fibres, 579  
 Female generative organs, 49  
 Fevers, continued, 228  
 eruptive, 227  
 Fibroid tumors, 233  
 Figure-of-eight deformity, 397  
 Fillet, 521  
 Foetal head, anatomy of, 125  
 heart-sounds, 159  
 membranes and placenta, arrangement of, 175  
 movements in pregnancy, 155  
 skull, diameters of, 126  
 tumors obstructing delivery, 390  
 [Fœtus, always small, with some women, 124]  
 anatomy and physiology of, 122  
 appearances of, at various stages of growth, 122  
 at term, 124  
 circulation of, 134  
 death of, 192, 251  
 diagnosis of, 252  
 symptoms of, 252  
 destruction of, 521  
 operations involving, 521  
 functions of, 131  
 means of destroying, 189  
 pathology of, 247  
 position of, 337  
 found by palpation, 129  
 respiration of, 133  
 wounds and injuries of, 249  
 Fœtuses, size of, in multiple pregnancies, 174  
 Food and stimulants, administration of, 652  
 Foot, bringing down, 322  
 Forceps, 322, 412, 494  
 action of, 500  
 antiseptic precautions in use of, 503  
 application of, within cervix, 370  
 to after-coming head, 321  
 Continental, 498  
 [craniotomy, Meigs's, 534, 535]  
 crochets and craniotomy, 523  
 description of, 494  
 dynamical action of, 501  
 extraction by craniotomy, 533  
 Hodge, 511  
 [in America, 509, 519]  
 long, 497  
 method of applying, 502  
 Forceps—  
 mode of introducing lower blade, 504  
 upper blade, 505  
 blades in high forceps operations, 508  
 possible dangers of delivery by, 508  
 Sawyer, 513  
 section of skull by, 526  
 short, 495  
 Simpson's axis-traction, 499  
 Tarnier's, 499  
 use of, in modern practice, 494  
 possible dangers attending, 362  
 Zeigler's, 496  
 Fossa navicularis, 53  
 Fractures, deformity from, 404  
 Funic souffle, 161  
**G**  
 GALACTOPHOROUS ducts, 81  
 General modifications in body produced by pregnancy, 145  
 Generative organs in female, 49  
 Gestation, abdominal, diagnosis of, 193  
 treatment of, 194, 198, 200  
 in a bi-lobed uterus, 198  
 Glands, mammary, 80  
 vulvo-vaginal, 53  
 Graafian follicles, 77, 79  
 changes in, 83  
 Greenhalgh's pelvimeter, 410  
 Groin, traction on, 322  
**H**  
 HÆMATIC effusions, 376  
 symptoms of, 377  
 treatment of, 377  
 Hand-feeding, 599  
 method of, 602  
 Harris's symphysectomy bistoury, 561  
 Head, birth of, 320  
 delivery of, 317  
 position of, mode of recognizing, 279  
 presentations, delivery in, 406  
 four positions described, 279, 289  
 mechanism of delivery in, 278  
 shape of, from moulding, 290  
 Hearson's thermostatic nurse, 478  
 Heart disease, 228  
 Hemorrhage, 430  
 [after delivery, treated by position of woman, 445]  
 after rupture of vein, 222  
 before delivery, 418  
 causes of, 430  
 constitutional causes, 448  
 curative treatment of, 439  
 definition of, 430, 433  
 diagnosis of, 431  
 differential diagnosis of, 432  
 from laceration of maternal structures, 446  
 importance of, 433  
 local causes, 448  
 pathology of, 430

Hemorrhage—  
 post-partum, 433, 447  
 preventive treatment of, 438  
 prognosis of, 432  
 secondary, 447  
 symptoms of, 431  
 treatment of, 432, 449  
 Hemorrhoids in pregnancy, 209  
 Hernial protrusion, 375  
 Heterogenetic infection, source of, 630  
 Hip-joint disease, 404  
 Hour-glass contractions, 436  
 treatment of, 441  
 [Hydramnios, 245, 246]  
 Hydrocephalus, intra-uterine, 387  
 Hydroperione, 105  
 Hydrorrhœa gravidarum, 236  
 [Hysterectomy, supra-vaginal, when not a  
 Porro operation, 458]

**I**CE-BAGS in pregnancy, 206  
 Idiopathic asphyxia, 670  
 Impregnation, 99  
 sites of, 98  
 Incontinence of urine, 220  
 Induction of premature labor, 469  
 history of, 469  
 operation of, 469  
 puncture of membranes in,  
 471  
 various methods of, 471  
 Infant, management of, 586  
 Infantile mortality, effect of early inter-  
 ference on, 362  
 Infection from erysipelas, 631  
 Injection of saline solutions, 569  
 Insanity of lactation, 618  
 puerperal, 612, 615  
 Instrumental delivery, 361  
 Interstitial and false ovarian pregnancy,  
 185  
 Intestines, scybalous masses in, 376  
 Intra-uterine hydrocephalus, 387  
 diagnosis of, 388  
 treatment of, 389  
 Irregular and spasmodic pains, 356  
 Irritability of bladder, 220  
 [Ischio-pubiotomy, unilateral, 563]

**J**AUNDICE, simple, 230  
 Joint, lumbo-sacral, 36

**L**ABIA majora, 49  
 minora, 50  
 Labor, abortion and premature, 252  
 after-treatment of, 307  
 anaesthesia in, 308  
 antiseptic precautions in, 292  
 attention to cleanliness in, 294  
 causes of, 265  
 chloral in, 308  
 chloroform in, 308, 309

**L**abor—  
 complicated with tumor, 372  
 course of, 406  
 delay in first stage of, 353  
 division of, into stages, 272  
 duration of, 277  
 duties on first visiting patient in, 292  
 effects of prolongation of, 367  
 ether in, 308, 310  
 false pains in, 294  
 first summons in, 291  
 [induced prematurely, mortality in,  
 477]  
 induction of premature, 469  
 management of natural, 290  
 management of third stage of, 302  
 methylene in, 308  
 [missed, 198, 201-203]  
 mode of conducting vaginal examina-  
 tion in, 295  
 objections to theories of, 267  
 obstructed by faulty condition of soft  
 parts, 366  
 pains during, 271  
 phenomena of, 265  
 position of patient during first stage  
 of, 296  
 second stage of, 297  
 precipitate, 351  
 preparatory treatment in management  
 of, 290  
 prolonged, 351  
 protraction in second stage of, 353  
 stage of, first, 273  
 premonitory, 273  
 preparatory, 272  
 second, 274  
 third, 275  
 treatment, 367  
 true pains in, 294  
 use of antiseptic injections in, 293  
 vaginal examinations in, 294  
 Laceration of veins, 222  
 Lactation, 585  
 disorders of, 593  
 insanity of, 618  
 signs of successful, 592  
 Lamine dorsales, 107  
 Leeches in pregnancy, 206  
 Leipothymia, 211  
 Leucorrhœa, 220  
 Ligaments of coccyx, 57  
 Liquor amnii, deficiency of, 246  
 Lithopædion, 193  
 Liver, changes in, 148  
 function of, 136  
 Lochial discharge, 581  
 Locked twins, difficulties arising from, 381  
 Lumbo-sacral joint, 36

**M**ALPRESENTATION, frequency of,  
 408  
 Mammary abscess, 596  
 method of opening, 597

**M**ammary abscess—  
 treatment of, 597  
 glands, 80  
 Mania during delivery, transient, 615  
 puerperal, 612  
 Maturation, 83  
 Measles, 228  
 Mechanism of delivery in head presenta-  
 tions, 278  
 Membrane, sub-zonal, 108, 114  
 Membranes, management of, 306  
 puncture of, 425  
 rupture of, 488  
 separation of, 475  
 Menstruation, 86  
 cessation of, 94  
 period of, 94  
 cyclical theory of, 93  
 duration of period of, 89  
 influence of climate on, 87  
 of cold on, 87  
 law in reference to, 93  
 theory of, 82, 91  
 Menthol in pregnancy, 206  
 Milk, artificial human, 600  
 [as a diet for nursing mothers, 594]  
 cow's, 600  
 excessive flow of, 595  
 secretion of, means of arresting, 593  
 defective, 593  
 transfusion of, 569  
 Miscarriage, 253  
 Missed labor, 198  
 Mole, fleshy, 256  
 vesicular, 237  
 Monsters, double, 382, 384  
 Mons Veneris, 49  
 Morphia in pregnancy, 206  
 Mother, diseases transmitted through, 247  
 risk to, 405  
 Myxoma fibrosum of placenta, 240

**N**ERVOUS system, changes in, 147  
 disorders of, 217  
 function of, 137  
 Neuralgia in pregnancy, 210  
 Newborn child, apparent death of, 586  
 treatment after death of, 587  
 Nipple, 81  
 Nipples, depressed, 594  
 fissures and excoriations of, 594  
 Nursing women, diet of, 592  
 Nutrition, 132

**O**BTURATOR membrane, 37  
 Occipito-posterior positions, 333  
 Occiput, rotation of, forward, 287  
 Oedema of lower limbs, 221  
 of vulva, 376  
 Oldham's vertebral hook, 523  
 Operations, high forceps, 507  
 Organic changes, rigidity depending upon,  
 368

Os innominatum, 33  
 occlusion of, 370  
 uteri, artificial dilatation of, 473  
 Osteomalacia, 392  
 deformity from, 400  
 frequency of, 393  
 [rare in the U. S., 393]  
 Osteophytes, formation of, 147  
 Ovarian tumor, 231  
 Ovaries, 74  
 tumors of, 373  
 Ovary, functions of, 82  
 structure of, 75  
 Ovulation and menstruation, 82  
 Ovule, 79  
 escape of, 83  
 Ovum, cystic disease of, 237  
 formation of cyst around, 191  
 pathology of, 234  
 Oxalate of cerium in pregnancy, 206  
 Oxytocic remedies, 357  
 Oxytocics, administration of, 472

**P**AINS during labor, 271  
 effect of, on mother and fetus, 272  
 irregular and spasmodic, 356  
 value of intermittent character of, 270  
 Palpation due to sympathetic disturbance,  
 211  
 Pampiniform plexus, 66  
 Paralysis in pregnancy, 217  
 puerperal, 218  
 Parturient canal, axis of, 44  
 Pelvic articulations, 36  
 cellulitis, 680  
 differential diagnosis of, 684  
 etiology of, 681  
 prognosis of, 685  
 relative frequency of, 683  
 results of physical examination  
 of, 683  
 seat of, 681  
 symptomatology of, 683  
 symptoms of suppuration of, 685  
 terminations of, 684  
 treatment of, 686  
 variety of nomenclature, 680  
 joints, movements of, 38  
 peritonitis, 680  
 presentations, 312  
 causes of, 312  
 diagnosis of, 313  
 frequency of, 312  
 prognosis of, 312  
 mechanism of, 315  
 treatment of, 319  
 Pelvis, anatomy of, 33  
 cavity of, 46  
 contracted, 407  
 diagnosis of, 408  
 treatment of, 411  
 [deformed, symphysectomy in, 415]  
 deformities of, 391, 394  
 deformity of, 452

Pelvis—  
 development of, 46  
 in different races, 48  
 measurements of, 41  
 obliquely contracted, 401  
 planes of, 43  
 Robert's, 403  
 soft parts in connection with, 48  
 [sometimes very small in large women, 394]

Perineum, 53  
 distention of, 299  
 examination of, 307  
 extreme rigidity of, 371  
 incision of, 300  
 relaxation of, 299  
 support of, 299

Period of day at which labor occurs, 278

Peripheral thrombosis, 673  
 history of, 674  
 pathology of, 674  
 period of commencement of, 674  
 progress of, 674  
 symptoms of, 673  
 treatment of, 677

Peritonitis, pelvic, 680  
 [Phlebitis, crural, after Porro-Cæsarean and Cæsarean sections, 676]

Phlegmasia dolens, 673

Phthisis, 228

Placenta, adherent, 441  
 treatment of, 441  
 adhesions, 437  
 battledore, 244  
 double, 242  
 entire separation of, 427  
 expression of, 303  
 fatty degeneration of, 243  
 form of, 115  
 functions of, 120  
 membranacea, 241  
 pathological changes in, 422  
 pathology of, 241  
 polypus, 263  
 praevia, 418  
 causes of, 418  
 definition of, 418  
 history of, 418  
 prognosis of, 423  
 symptoms of, 419  
 treatment of, 424  
 signs of adherent, 441  
 souffle, 162  
 succenturia, 241

Placentalitis, 241

Planes of pelvis, 43

Pneumonia, 228  
 [Polypus uteri as an obstruction to labor, 378]

Porro-Cæsarean operation, 549  
 [in fibroid obstruction, 373]

Precipitate labor less common than lingering, 365  
 labors, 351  
 treatment of, 366

Pregnancies, multiple, in Europe, 173

Pregnancy, 137  
 abdominal, 191  
 excision of cyst in, 196  
 mode of performing operation in, 195  
 treatment of, 196

abnormal, 173  
 appearance of breasts in, 153  
 auscultatory signs of, 158  
 ballottement as a sign of, 157  
 classification of signs of, 150  
 composition of blood in, 145  
 constipation in, 208  
 diabetes in, 216  
 diagnosis of, 187  
 diarrhoea in, 208  
 differential diagnosis of, 164  
 diseases coexisting with, 227  
 diseases of, 203  
 dress of patient during, 291  
 duration of, 167  
 extra-uterine, 179  
 classification of, 179  
 etiology of, 181

false ovarian, 185

fetal movements in, 155

general modifications in body produced by, 145

hemorrhoids in, 209

insanity of, 613  
 causes of, 616  
 duration of, 618  
 forms of, 614  
 judicious nursing in, 622  
 post-mortem signs of, 618  
 prognosis of, 615, 618  
 symptoms of, 619  
 treatment of, 620, 623

interstitial, 185

multiple, diagnosis of, 176

neuralgia in, 210

paralysis in, 217

progress of, 185

protraction of, 169

ptyalism in, 209

rupture of, 185

signs of, 149

spurious, 166

symptoms of, 149, 185

termination of, 185

treatment of, 188

uterine fluctuation in, 158

vaginal pulsation in, 158  
 signs of, 157

Premature labor, induction of, 415

Presentations, face, 323  
 breech, 312  
 complex, 345  
 footling, 312  
 knee, 312  
 pelvic, 312  
 transverse, 337

Princess Charlotte of Wales, death of, 364

Prolapse of uterus, 222

Prolapsed funis, 346  
 causes of, 348  
 diagnosis of, 348  
 frequency of, 347  
 prognosis of, 347  
 treatment of, 349

Prolonged labors, 351  
 evil effects of, 352

Propulsion, 274

Protracted labor, causes of, 354  
 treatment of, 356

Protraction of pregnancy, 169

Pruritus of vulva, 221

Ptyalism in pregnancy, 209

Puberty, changes occurring at, 88

Puerperal disease, defective sanitation as a cause of, 633  
 eclampsia, 603  
 as a cause of albumin in urine, 214  
 cause of death in, 606  
 doubtful etiology of, 603  
 exciting causes of, 608  
 obstetric management in, 611  
 paroxysms during, 611  
 pathology of, 606  
 premonitory symptoms of, 604  
 treatment of, 609

fever, administration of turpentine in, 655  
 application of cold in, 654  
 difference of opinion as to, 623  
 evacuant remedies in, 655  
 history of, 624  
 modern view of, 624  
 mortality of, in lying-in hospitals, 624  
 reduction of temperature in, 653  
 theories advanced regarding its nature, 626  
 theory of its local origin, 626  
 treatment of, 655

insanity, 612  
 classification of, 612

pleuro-pneumonia, 667  
 physical signs of, 667

septicæmia, 623  
 description of, 644  
 duration of, 645  
 pyæmic forms of, 647  
 symptoms of, 644  
 treatment of, 648

state and its management, 575  
 temperature of, 577

thrombosis, 656  
 cases of, 663  
 cause of death in, 665  
 conditions which favor, 657  
 history of, 661  
 post-mortem examinations in, 660, 665  
 symptoms of, 661  
 treatment of, 665, 668

[Pullulation, arrested, 251]

QUICKENING, syncope during period of, 211  
 Quinine as an oxytocic, 357

RESPIRATION, commencement of, 586  
 of fetus, 133

Respiratory organs, affections of, 210  
 treatment of, 212  
 changes in, 147

Rest, importance of prolonged, 585

Retention *in utero* of a blighted ovum, 263  
 of urine, 219

Retroversion, 223  
 causes of, 224  
 diagnosis of, 225  
 progress of, 224  
 symptoms of, 224  
 termination of, 224  
 treatment of, 225

Rickets, 392  
 frequency of, 393  
 mode of production in, 396

Robert's pelvis, 403

Round ligaments of uterus, 71

SACRO-ILIAC synchondrosis, 37  
 -sciatic ligaments, 37

Sacrum, anatomy of, 35  
 mechanical relations of, 35

Salicine in pregnancy, 205

Sanitary arrangements in septicæmia, 633

Sapremia or self-infection, sources of, 629

Scarlet fever, 227

Scybalous masses in intestines, 376

Secretions and excretions, 577

Semen, 96  
 ascent of, 98

Septicæmia from contagion, 634  
 prophylaxis of, 637  
 puerperal, 623  
 surgical, 627

Septic poison, nature of, 638

Serous envelope, 114

Sewer-gas a cause of septicæmia, 633

Sex of children in twin pregnancies, 174

Shoulder presentations, 337  
 causes of, 338  
 diagnosis of, 339  
 frequency of, 339  
 mechanism of, 341  
 prognosis of, 339  
 terminations of, 341  
 treatment of, 344

Sites of impregnation, 98

Softening of cervix, 157

Spasmodic cough, 210

Spondylolisthesis, 397  
 [origin, etc. rare in the U. S., 399, 400]

Spondylolizema, 400

Spurious pregnancy, 166

Stage of labor in which delay occurs, 352

Superfecundation, 176

- Superfetation, 176  
 Suppuration, treatment of long-continued, 599  
 Symphysectomy, 553, 557  
   description of operation, 560  
   Galbiati's knife used in, 560  
   history of, 557  
   [-knife, Harris's, 561]  
   limits of operation of, 558  
   progress of, 561  
   [and results of, 563]  
 Symphysis pubis, 37  
 Syncope during period of quickening, 211  
 Syphilis, 229
