

Collecta.

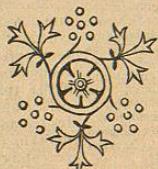

74

Quando Missa habet unicam Orationem, dicitur immedio post eam; si plures, post ultimam, semper sub eadem conclusione. Sed si Oratio concludit *Quiccumque*, terminabitur. *Per extandem.*

Si in Missa dicitur Oratio pro Papa, et vacante Sede apostolica, omittuntur verba pro Papa, idem de Antistite, Rege, Regina vel Principe.

Quando in Missa dicitur Oratio, *A cunctis Collecta* dicitur sic :

Et famulos tuos Papam nostrum *N.*, Antistitem nostrum *N.*, Regem nostrum *N.*, Reginam et Principem cum prole regia, populo sibi commiso, et exercitu suo ab omni adversitate custodi : pacem et salutem nostris concede temporibus : et captivos christianos, qui in Saracenorum potestate detinentur, tua misericordia liberare, et fructus terrae dare et conservare digneris.
