DE

## DE FIDE, QUANTUM AD EIUS obiectum, sivè materiam.

### DISTINCTIONIS VIGESIMÆ QUARTÆ SYNOPSIS.

*Credita, sint oculis quævis incognita nostris,  
Nota aliquo certum est, attamen esse modo.*

Sic incipit: *Hic quæretur.*

Sic terminat: *Sed tamen creditur.*

1. **C**ONNECTITUR hæc distinctio cum superiori. In illâ egit Magister de fide quantum ad eius essentiam; sed in præsentî determinat de ea quantum ad eius obiectum, & materiam: ergo rectè inter se hæc distinctionis consonare videntur.

2. Consequentiâ probatur: Et si scientia suam sibi ab obiecto specificationem asciscat, nihilominus priùs de scientia, quàm de ipsius obiecto ab omnibus pertractandum venit, ut crebro Metaphisici tuentur: ergo si Magister in præsentî distinctione agit de fide quantum ad eius obiectum, & materiam, postquàm in antecedenti de ipsâ quantum ad eius essentiam determinarat, non incongruè procedit in earum connexionem.

3. Dividitur præsens distinctio in tres præcipuas partes. In quarum prima declarat Magister modum, quo fides sit de non visis absentibus. In secunda verò statuit, qualiter non sit de visis præsentibus. In tertia autem, & ultima detegit parte, qualiter de omnino incognitis fides non sit.

4. PRO PRIMÆ igitur distinctionis partis perspicua intelligentia, prima ponitur conclusio: *Fides virtus theologica reverà est de non visis absentibus.* Quam solum pertentat probare Magister ex cuiusdam quæsti solutione, quod in distinctionis exordio proponit.

5. Indagat ergò Magister in littera: Si fides tantum de non visis est, quomodo tenet illud Christi Domini ad Apostolos, quod apud Ioan-
