Parece que la fundacion de esta Casa fué en 1852. Se tiene noticia solamente de lo acuñado desde 1861, en el cual fueron arrendadas esta Casa como la de Álamos, á unos contratistas, sin tener obligacion de pagar renta de ninguna especie en los primeros 10 años; además, podian introducir libres de derechos el ácido y demas ingredientes para el apartado. Este contrato lo hizo el Gobierno del Estado, quien estipuló que á los 20 años entraria en posesion de la maquinaria de la Casa.
