The Eighteen Christian Centuries. By the Rev. JAMES WHITE, author of a "History of France." With a Copious Index. From the second Edinburgh Edition. 1 vol. 12mo. 538 pages. \$1 25.

This is a striking and peculiar contribution to historical literature. It is the historical spirit of each one of the Eighteen Christian Centuries seen through the medium of a master mind. The history of each century, from the first of our era, is reviewed and generalized, grasped as a whole: its prevailing purpose or idea individualized, and its result, as a century, given to the reader. The work is singularly original, comprehensive, clear, and masterly. It will give the general reader a clearer idea of the general history of Christendom than can be obtained in many months of study, and will prove beyond question a welcome and valuable remembrancer to many especial students of history. It has been the general complaint against history itself, that it is too much a collection of mere dates, and such a complaint is the highest eulogy of this book, which dispensing with any but the largest divisions of time, except, indeed, when a date may serve to explain or illuminate some act or event, eliminates by its spirit entirely the prevailing lesson of history.

Fiji and the Fijians. By THOMAS WILLIAMS and JAMES CALVERT, late Missionaries in Fiji. Edited by GEORGE STRINGER ROWE. Illustrated with numerous colored Drawings and Wood Engravings. 1 vol. 8vo. Cloth, \$2 50.

On the Origin of Species by Means of Natural Selection; or, THE PRESERVATION OF FAVORED RACES in the STRUGGLE FOR LIFE. By CHARLES DARWIN, M. A. 1 vol. 12mo. 432 pages. \$1 25.

"Readers of his delightful book, 'Voyage of a Naturalist,' will recognize in this new work his power as a writer, whatever may be the scientific verdict on his theories."—N. Y. OBSERVER.

"The conclusions at which he aims are so startling, that they cannot fail to meet with considerable opposition. Mr. Darwin himself is far from anticipating that they will be generally received. But he has certainly a right to demand that they shall be opposed only in the same spirit of candor and moderation by which his advocacy of them is so eminently distinguished."—LONDON LITERARY GAZETTE.

The investigation occupied all my spare time for about eighteen months. I examined carefully, prayerfully, and earnestly, until I was satisfied, beyond a doubt, that the old Church was the true, and the only true Church."—EXTRACT FROM PREFACE.

The Copious Notes with which this volume is enriched are mainly due to his well-earned reputation, and assiduity as an analyst, and will amply repay perusal from every lover of our noble game."—PAUL MORPHY.

Revolutions in English History. By ROBERT VAUGHAN,
D. D. Vol. I. REVOLUTIONS OF RACE. Price \$2.

"A work of this kind," says BLACKWOOD'S MAGAZINE, "cannot be superfluous, if it is worthily executed; and the honorable position which Dr. Vaughan has earned for himself in both theology and literature, gives us a guarantee that this will be the case."

"This treatise," says the LONDON ATHENÆUM, "or rather narrative, is deeply and variously interesting. Written plainly, but with all the characteristics of independent thought and accomplished scholarship, it may be pronounced a masterly survey of English civilization from the remotest epoch to the commencement of the fifteenth century."

Passing Thoughts on Religion. By the author of "Amy Herbert," "Thoughts for the Holy Week," etc. 1 vol. 16mo.
Cloth, red edges. 75 cents.

"The writer of the following papers trusts that a reason may be found for their publication in the circumstances which gave rise to them. In their original form they were merely private thoughts noted down for personal use, while reading the 22d and part of the 23d chapters of St. Luke's Gospel. As such, they were, of course, wholly unfitted for any other purpose. But after publishing a little book called 'Thoughts for the Holy Week,' the writer was urged to complete the work by adding 'Thoughts for the Remainder of Lent,' and though it was not easy to comply with the request, which was, therefore, for the time set aside, it suggested the enlargement of the notes before mentioned, and they were in consequence brought into their present form."—EXTRACT FROM PREFACE.

Night Lessons from Scripture. Compiled by the author of
"Amy Herbert." 1 vol. 18mo. Cloth, red edges. 60 cents.

"The passages selected are short, for the weariness of night does not admit of lengthened attention to reading; but meditation upon a few verses will teach us more than a hasty perusal of many, and it cannot but be profitable to us all to endeavor to fix in our minds some one definite lesson gathered from God's Holy Word, which may remain with us as our last waking thought at night, and may, through the aid of the Holy Spirit, enable us to rise with a more earnest devotion to our duties on the morrow."—EXTRACT FROM PREFACE.
