

This block contains a dense, handwritten Latin text from a medieval manuscript. The text is organized into several columns, likely representing different parts of a liturgical or historical document. The script is in a Gothic hand, with some headings in larger, bolder letters. The content includes various names, numbers, and descriptions, possibly related to a calendar or a specific ecclesiastical calendar.

This block contains a dense, handwritten Latin text, likely a manuscript or a copy of a printed book. The text is organized into several columns, with some sections numbered. The script is cursive and appears to be from the 16th or 17th century. The content discusses various topics, including the calendar, the Julian calendar, and the Gregorian calendar.

18. a. o. in omnibus ceremoniis  
2. o. et ceteris ceremoniis offeret

Dan. 4. b. ut habeat ceremonias
