Hanicg's Rubricated Mechlin Editions, elegantly printed in Red and Black.

At the instance of several of the Prelates of the late National Council, Murphy & Co. have made an arrangement with Mr. Hanicg, the eminent Catholic Publisher of Mechlin, by which they will keep a constant supply of the “RITUALE ROMANUM” entire, as approved by Benedict XIV. This edition is printed on fine paper, from a clear, bold type, in red and black; it contains the Musical Notes for several Antiphons, Psalms and Hymns adapted to the more solemn offices. It appears most desirable that every church be furnished with a copy, which the American publishers are prepared to supply at a very low price. The size is such as Missionaries might, without inconvenience, carry on their missions.

Constantly on hand, a large supply of THEOLOGICAL and DEVOTIONAL BOOKS; also, ALTAR CARDS, PIOUS SUBJECTS, MEDALS, ROSARIES, &c.

Foreign Books imported to order, on the most accommodating terms.

## NEW WORKS IN PRESS.

*The Jew of Verona.* A Historical Tale of the Italian Revolutions of 1846-9. Translated from the 2d Revised Italian Edition.

The publishers are much gratified in being able to announce, that this work, which has acquired so much celebrity in Europe, particularly in Italy, is now in press and will soon be presented to the public. It is from the pen of Rev. Father Bresciani, S. J., the distinguished editor of the *Civiltà Cattolica*, published in Rome, one of the most eminent writers of Europe. It is a work of peculiar merit; with all the interest of a truthful history, it combines all the beauties of romance. While it minutely describes the convulsions of Europe during the eventful years of '48 and '49, more particularly the scenes of devastation which occurred in Italy and in Rome, the author, like an accomplished artist, gives relief to the narrative, by introducing to the reader a number of interesting characters, who exhibit virtue in all its charms and depict vice in all its deformity. The inestimable boon of a religious education is represented in truthful colors; the lamentable effects of evil associations are vividly drawn; the noble character of the true patriot is shadowed forth in bold relief; the fidelity of the virtuous heart to the object of its affection, is beautifully delineated. Thus a deep vein of religion and morality runs through the whole work. Moreover, the brilliancy and vivacity of its style, the beauty and delicacy of its description, charm the reader and throw around its pages a fascinating influence, which renders it a work of unprecedented interest.

*Lawrence, or the Little Sailor.* Translated from the French.
