### ENLARGEMENT OF THE METROPOLITAN.

The proprietors of the Metropolitan beg leave to express their acknowledgments of the favorable reception which their Monthly has met with from the press and the public generally, since its enlargement. It is their desire to invest it with a character which will make it worthy of universal patronage, and as an evidence of their intention in this respect, they refer to the inducements which they offer below, for the purpose of eliciting Catholic talent on subjects of the greatest interest and importance.
