

D. APPLETON & CO.'S PUBLICATIONS.

A FRIEND OF THE QUEEN. (Marie Antoinette—Count de Fersen.) By PAUL GAULOT. With Two Portraits. 12mo. Cloth, \$2.00.

"M. Gaulot deserves thanks for presenting the personal history of Count Fersen in a manner so evidently candid and unbiased."—*Philadelphia Bulletin*.

"There are some characters in history of whom we never seem to grow tired. Of no one is this so much the case as of the beautiful Marie Antoinette, and of that life which is at once so eventful and so tragic. . . . In this work we have much that up to the present time has been only vaguely known."—*Philadelphia Press*.

"A historical volume that will be eagerly read."—*New York Observer*.

"One of those captivating recitals of the romance of truth which are the gilding of the pill of history."—*London Daily News*.

"It tells with new and authentic details the romantic story of Count Fersen's (the friend of the Queen) devotion to Marie Antoinette, of his share in the celebrated flight to Varennes, and in many other well-known episodes of the unhappy Queen's life."—*London Times*.

"If the book had no more recommendation than the mere fact that Marie Antoinette and Count Fersen are rescued at last from the voluminous and contradictory representations with which the literature of that period abounds, it would be enough compensation to any reader to become acquainted with the true delineations of two of the most romantically tragic personalities."—*Boston Globe*.

"One of the most interesting volumes of recent publication, and sure to find its place among the most noteworthy of historical novels."—*Boston Times*.

THE ROMANCE OF AN EMPRESS. *Catherine II, of Russia.* By K. WALISZEWSKI. With Portrait. 12mo. Cloth, \$2.00.

"Of Catharine's marvelous career we have in this volume a sympathetic, learned, and picturesque narrative. No royal career, not even of some of the Roman or papal ones, has better shown us how truth can be stranger than fiction."—*New York Times*.

"A striking and able work, deserving of the highest praise."—*Philadelphia Ledger*.

"The book is well called a romance, for, although no legends are admitted in it, and the author has been at pains to present nothing but verified facts, the actual career of the subject was so abnormal and sensational as to seem to belong to fiction."—*New York Sun*.

"A dignified, handsome, indeed superb volume, and well worth careful reading."—*Chicago Herald*.

"It is a most wonderful story, charmingly told, with new material to sustain it, and a breadth and temperance and consideration that go far to soften one's estimate of one of the most extraordinary women of history."—*New York Commercial Advertiser*.

"A romance in which fiction finds no place; a charming narrative wherein the author fearlessly presents the results of what has been obviously a thorough and impartial investigation."—*Philadelphia Press*.

"The book makes the best of reading, because it is written without fear or favor. . . . The volume is exceedingly suggestive, and gives to the general reader a plain, blunt, strong, and somewhat prejudiced but still healthy view of one of the greatest women of whom history bears record."—*New York Herald*.

"The perusal of such a book can not fail to add to that breadth of view which is so essential to the student of universal history."—*Philadelphia Bulletin*.

New York: D. APPLETON & CO., 72 Fifth Avenue.

D. APPLETON AND COMPANY'S PUBLICATIONS.

PETER THE GREAT. By K. WALISZEWSKI, author of "The Romance of an Empress" (*Catharine II of Russia*). Translated by Lady Mary Loyd. Small 8vo. Cloth, with Portrait, \$2.00.

"One of the most interesting biographies of the historical kind we have read for a long time. . . . Intensely interesting because absolutely unique."—*London Daily Chronicle*.

"A brilliant book, a profound study of human character, and a dispassionate and learned survey of modern Russian history. . . . A strange, a terrible story; fascinating by the power of the living human force, which compels admiration."—*London Sketch*.

"It is a marvelous story, this of Peter the Great, and it has been told with great spirit by the author."—*London Saturday Review*.

"If ever there was a man of genius it was Peter the Great. He is the one Russian of his time whose name has come down through the centuries, and he was almost the only Russian of his day who won an international reputation. Russia in those days stood in need of a man like him, and how well he served her is fully told in this book. . . . The cardinal merit of this book is that it increases our knowledge of mediæval Russia."—*New York Herald*.

"M. Waliszewski knows his subject well, and in his work he gives the most consistent and intelligible survey of Russian life and character that has been offered by any of the modern historians."—*Chicago Evening Post*.

"A biography illuminated by an active imagination, a romance in which there is no conscious fiction, but where the elements are fused in the alembic of a mind that can conjure back the remote past."—*Philadelphia Press*.

"There has not been a novel published this season that is as interesting—as exciting and thrilling, if you will—as this biography of one of the most remarkable men the world has ever seen. . . . A literary treat for those who carefully read it."—*Buffalo Commercial*.

"One of the most fascinating books of the year; a great historical painting, done with patience and exactitude, but also with boldness and brilliancy."—*Chicago Times-Herald*.

"Will be found as interesting as the most absorbing fiction."—*Boston Globe*.

"This is a trustworthy history; it bears the marks of painstaking truthfulness; it is scholarly, graphic, comprehensive, and just. We read it with a sense of being led by an intelligent guide and of listening to a candid judge and critic. . . . The story has been told in a brilliant and powerful way, and there is no book better adapted to the needs of Western readers at this era; full of the right information, rich in suggestion, keen in discrimination, and far-sighted in outlook, it is history and prophecy in one."—*New York Evangelist*.

"Such a vivid picture of Peter the man has not been put on paper before. Waliszewski's history thrills with life and interest, and is a brilliantly colored romance; yet he sternly keeps to facts, and gives the impression of having impartially judged and rigorously presented a fair and conscientious view of this portion of history."—*Chicago News*.

"An exceedingly interesting and valuable estimate of Peter's character and work."—*Review of Reviews*.

"A brilliant and notably readable book, filled with vivid impressions, and not lacking in philosophical meaning."—*Boston Beacon*.

MEMOIRS ILLUSTRATING THE HISTORY OF NAPOLEON I, from 1802 to 1815. By Baron CLAUDE-FRANÇOIS DE MÉNEVAL, Private Secretary to Napoleon. Edited by his Grandson, Baron NAPOLEON JOSEPH DE MÉNEVAL. With Portraits and Autograph Letters. In three volumes. 8vo. Cloth, \$6.00.

* "The Baron de Méneval knew Napoleon as few knew him. He was his confidential secretary and intimate friend. . . . Students and historians who wish to form a trustworthy estimate of Napoleon can not afford to neglect this testimony by one of his most intimate associates."—*London News*.

"These Memoirs, by the private secretary of Napoleon, are a valuable and important contribution to the history of the Napoleonic period, and necessarily they throw new and interesting light on the personality and real sentiments of the emperor. If Napoleon anywhere took off the mask, it was in the seclusion of his private cabinet. The Memoirs have been republished almost as they were written, by Baron de Méneval's grandson, with the addition of some supplementary documents."—*London Times*.

"Méneval has brought the living Napoleon clearly before us in a portrait, flattering, no doubt, but essentially true to nature; and he has shown us what the emperor really was—at the head of his armies, in his Council of State, as the ruler of France, as the lord of the continent—above all, in the round of his daily life, and in the circle of family and home."—*London Academy*.

"Neither the editor nor translator of Méneval's Memoirs has miscalculated his deep interest—an interest which does not depend on literary style but on the substance of what is related. Whoever reads this volume will wait with impatience for the remainder."—*N. Y. Tribune*.

"The work will take rank with the most important of memoirs relating to the period. Its great value arises largely from its author's transparent veracity. Méneval was one of those men who could not consciously tell anything but the truth. He was constitutionally unfitted for lying. . . . The book is extremely interesting, and it is as important as it is interesting."—*N. Y. Times*.

"Few memorists have given us a more minute account of Napoleon. . . . No lover of Napoleon, no admirer of his wonderful genius, can fail to read these interesting and important volumes which have been waited for for years."—*N. Y. World*.

"The book will be hailed with delight by the collectors of Napoleonic literature, as it covers much ground wholly unexplored by the great majority of the biographers of Napoleon."—*Providence Journal*.

"Méneval made excellent use of the rare opportunity he enjoyed of studying closely and at close range the personality of the supreme genius in human history."—*Philadelphia Press*.

"Of all the memoirs illustrating the history of the first Napoleon—and their number is almost past counting—there is probably not one which will be found of more value to the judicious historian, or of more interest to the general reader, than these. . . . Méneval, whose Memoirs were written nearly fifty years ago, had nothing either to gain or to lose; his work, from the first page to the last, impresses the reader with a deep respect for the author's talent, as well as his absolute honesty and loyalty."—*N. Y. Independent*.

"These Memoirs constitute an important contribution to the understanding of Napoleon's character. They are evidently written in good faith, and, as the writer had remarkable opportunities of observation, they must be accepted as authentic testimony to the existence in Napoleon of gentle, humane, sympathetic, and amiable qualities, with which he has not been often credited."—*N. Y. Sun*.

RECOLLECTIONS OF THE COURT OF THE
TUILERIES. By MADAME CARETTE, Lady-of-Honor to the
Empress Eugénie. Translated from the French by ELIZABETH
PHIPPS TRAIN. 12mo. Cloth, \$1.00; paper cover, 50 cents.

"A gossiping and very interesting account of the Second Empire. The narrative has to do mainly with the social life of the court, and yet it offers many a glimpse of the larger world of politics. Its sprightly style, its keen insight into social character, and its bright comments on men and events, make the book very readable."—*The Critic*.

"The many surviving Americans who were presented at the French court during the last Empire, and are still fondly cherishing the memory of things as they were, will be delighted with this little book. According to Mme. Carette, things in the days of the third Napoleon were about as they should be in France, especially at court, and the narrative is written with a simplicity and sincerity which disarm criticism."—*New York Herald*.

MEMOIRS OF MADAME DE RÉMUSAT.
1802-1808. Edited by her Grandson, PAUL DE RÉMUSAT,
Senator. 3 volumes, crown 8vo. Half bound, \$2.25.

"Notwithstanding the enormous library of works relating to Napoleon, we know of none which cover precisely the ground of these Memoirs. Madame de Rémusat was not only lady-in-waiting to Josephine during the eventful years 1802-1808, but was her intimate friend and trusted confidante. Thus we get a view of the daily life of Bonaparte and his wife, and the terms on which they lived, not elsewhere to be found."—*N. Y. Mail*.

"These Memoirs are not only a repository of anecdotes and of portraits sketched from life by a keen-eyed, quick-witted woman; some of the author's reflections on social and political questions are remarkable for weight and penetration."—*New York Sun*.

A SELECTION FROM THE LETTERS OF
MADAME DE RÉMUSAT. 1804-1814. Edited by her
Grandson, PAUL DE RÉMUSAT, Senator. 12mo. Cloth, \$1.25.

"These letters have the character of intimate correspondence, and though they do not avoid public events, are not devoted to them. They depict the social aspect of the times, and form an excellent background against which to review the public events which form the principal subject of the previous Memoirs by the same author."—*The Independent*.

"A most attractive volume. The letters will be read by those who have perused the Memoirs with as much pleasure as by those who in them make the writer's acquaintance for the first time."—*N. Y. Herald*.

MEMOIRS OF NAPOLEON, his Court and Family.
By the Duchess D'ABRANTES. In 2 volumes, 12mo. Cloth,
\$3.00.

The interest excited in the first Napoleon and his court by the "Memoirs of Madame de Rémusat," induced the publishers to issue the famous "Memoirs of the Duchess d'Abrantes," which had previously appeared in a costly octavo edition, in a much cheaper form, and in a style to correspond with the De Rémusat. This work presents a much more favorable portrait of the great Corsican than that limned by Madame de Rémusat, and supplies many valuable and interesting details respecting the court and family of Napoleon which are found in no other work.

New York: D. APPLETON & CO., 72 Fifth Avenue.
